**Subject:-** Intimation regarding National Pulse Polio immunization programme.

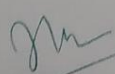

Dear Sir

With respect to above mention subject, Govt. of India, is going to launch national pulse polio programme on 27-02-2022. All childrens below the age of 5 yrs are going to be immunized. So it is hereby informed that health teams will visit your school on 28.02.2022 for vaccination.

Kindly Co- operate and ensure that all children under five should be covered on the same day.

Thanking You
