A movie outing was planned for the boarders (41) from classes 3 to 12 excluding the students of class 10 on 8th May, Sunday to PVR cinemas, Prashant Vihar. Students along with teacher in-charges Ms. Lipi and Mr. Syed went for the outing.

The bus moved out of the school campus at 11:00 am and reached PVR at around 12:15 pm. It was a sunny day. After reaching, we visited the shops in the mall till the time the movie started. We started moving towards the movie hall at around 1:20 pm. Screening of the movie “Dr. Strange – In the Multiverse of Madness” started at around 1:40 pm. The 3D fantasy movie with lots of special effects was enjoyed by all. It was an entertaining movie and really nice to watch.

Refreshments served during the movie for all of us. The movie got over at around 3:50 pm. After the movie children were allowed to purchase goodies from the shops and to have their favorite eatables from KFC, Dominos, WOW Momo and Ice-cream parlors. At around 5:10 pm we all moved towards the bus. Children enjoyed in the bus by playing music and singing songs.

It was a fun-filled day and the day refreshed our minds. Children were very happy to have an outing after a long time. They enjoyed the trip thoroughly.

We have returned back to school at around 6:30 pm.
