

# DELHI PUBLIC SCHOOL SONEPAT

Circular No. DPSS/BDR /2022-23/02

Dear Parent

Greetings!

Delhi Public School Sonapat has always envisaged a healthy relationship with its students and parents. Keeping this in mind we ought to have a two-way communication and consistency that shall lead to better understanding and mutual valuing.

We have always wished that our children prosper and adjust in their 'home away from home' at the earliest. Hence, no outings and phone calls (whether on landline or mobiles) will be allowed till 2 August 2022. However, you may contact the respective warden or the class teacher to know about his/ her well being and academics respectively.

In anticipation of kind cooperation.

Regards
