

# Friendly Football Match

Date: August 07, 2022

A friendly football match was played among the boys at Delhi Public School, Sonapat Boarding House on Sunday, 7th August in lush green football ground at 5.30pm. The preparations began a week prior and finally the day arrived when the cheerleaders were no less to boost up their morale. As the match progressed, both the teams started putting up their best show. In the spectator's stand, tangy 'Golgappas' were served to the students.

There always existed a rivalry between both the teams .

It was indeed a competitive match wherein all the players displayed their utmost sportsmanship.

Mr Alok TT coach has congratulated the winning team .We all returned back to hostel with happy faces.
